¹ There must be sufficient funds to repay the cash advance that night or you will incur applicable cash advance fees and interest charges. The automatic transfers used to pay off your *CashConnect* cash advances will reduce the available funds in your UBS account and as a result could affect other transactions dependent on cash, such as fee payment, investment purchases, online bill pay, debit card usage and outstanding checks. Please make sure that you have sufficient available funds in your UBS account to cover these items, as well as the *CashConnect* cash advance. Feature available only for cardholders with an RMA or Business Services Account BSA. ² We are able to rebate ATM fees only in cases where the transaction fee surcharge is submitted to UBS by the ATM operator and/or network used. In the event that you do not receive a rebate for a fee that you believe is eligible, please call 800-762-1000 or collect at 201-352-5257 for assistance. ³ Extra points are based on merchant category code. Groceries not bought at stand-alone grocery stores (such as purchases within a larger retail store) may not qualify. Air travel through online sites other than the airlines' own sites may not qualify. ⁴ If you voluntarily close your card, you will be allowed 60 days following the effective date of termination of the UBS Account or Cards to redeem outstanding points for gift cards or merchandise. In the event UBS Bank USA closes your Card for any reason other than inactivity, your points will be immediately forfeited. In the event UBS Bank USA closes your Card due to inactivity, you will have 60 days to redeem your points for gift cards or merchandise. ⁵ To receive 25,000/5,000 bonus points, you must make \$3,000 in eligible purchases during the first three months from card account approval. In rare instances, your period to spend the total \$3,000 may be shorter than 3 months, if there is a delay in receiving your card. Also, purchases may fall outside the 3 month period in some cases, such as a delay in merchants submitting transactions to us or of the purchase date differs from the date you made the transaction. (For example, if you buy goods online, the purchase date may be the date the goods are shipped.) Qualifying purchases do NOT include fees or interest charges, balance transfers, cash advances, or using any checks that access your account. This bonus offer is valid for new cardholders and only one bonus is available per card account, regardless of the number of cardholders on that card account. This offer cannot be combined with any other promotions, including existing offers. If you receive and apply for this offer but do not satisfy the requirements, you will not receive any new account bonus. All applications subject to credit approval. Points will be credited to your account as soon as your spend reaches \$3,000 in posted transactions. Points can be redeemed at any time after they have been earned, as long as your card account stays open and in good standing. Once account is closed, points must be redeemed within 60 days before they are forfeited. ⁶ The item or items you purchase must add up to \$100 or more before redeeming. ⁷ Redeem 25,000/50,000 rewards points for one ticket up to \$350/\$900 on any commercial airline. Tickets must be booked through UBS and charged to your UBS credit card. Once your purchase is complete, applicable rewards points per ticket will be deducted from your account and a credit posted to your credit card account for the ticket price. For tickets costing more than \$350 or \$900, you must pay the difference using additional rewards points at a rate of 5,000 points for any additional cost of up to \$50 of ticket value. Additional payments may be made only in increments of 5,000 points. You must cover the full cost of ticket with rewards points. There is a \$25 booking fee per ticket for UBS Visa Signature credit card clients. This fee is waived for UBS Visa Infinite credit card clients. As of May 2017, American Express cardholders with a Platinum Card® must redeem 35,000/90,000 Membership Rewards® points for one ticket costing up to \$350/\$900. Please refer to the program and benefits guide that comes with your card for complete rules on redeeming your points. Restrictions apply. ⁸ Cardholders are responsible for the cost of any goods or services purchased through the UBS Concierge. ⁹ You must enroll in this benefit on UBS Online Services and select one of the eligible
